Training Class Schedule

September – December 2017

Welcome to the 2017 Fall Semester!

IHSS Care Providers are now able to earn a second certificate for completing training classes! The new certificate will be given to Care Providers who finish all six of the Series 2 classes:

Alzheimer's Basics
Cancer Care Basics
Caregiver Stress Management
Emergency and Disaster Preparedness
Falls Prevention
The Skilled Care Provider

Series 2 certificates have already been mailed to Care Providers who have completed all six Series 2 classes in the past. If you have already completed some of these Series 2 classes, our records have kept track of that and you are already well on your way to earning the Series 2 certificate!

All classes offered are free of charge and exclusively available to active IHSS Care Providers.

For a full listing of the Series 1 and Series 2 Certificate classes offered please turn to the next page.

For additional information and description of our classes, please refer to our website www.pascc.org and view the training tab.

Pre-Registration and Confirmation is required.

Turn to page 3 for instructions on how to register.

Provider Certificate Classes-Series 1

Public Authority Services offers a selection of nine certificate classes to help develop the skills necessary for providing quality in-home service and prevent injuries.

Classes offered:

- CPR
- First Aid
- Safe Lifting And Transferring
- Nutrition
- Understanding Diabetes
- Personal Care
- Mental Health
- Last Phase of Life
- Safety and Infection Prevention

You will receive a certificate after completing all nine classes, which you can complete at your own pace. If you do not finish them on this schedule, you can take the rest later.

Provider Certificate Classes-Series 2

Additional Classes offered:

- Caregiver Stress Management
- Alzheimer's Basics
- Emergency & Disaster Preparedness
- The Skilled Care Provider
- Cancer Care Basics
- Falls Prevention

IHSS Training Class Student Guidelines

- Students are expected to show up for classes they have registered for. Failure to inform the Public Authority that you are unable to attend one of your classes may result in being banned from attending additional classes for a full year.
- Students are expected to arrive on time and stay for the entire class. If you arrive late you may not be allowed to sign in or stay for the class. If your signature is not on the sign out sheet you will not receive credit for the class.
- Students must behave professionally and respectfully. You should never bring guests to a class. This includes your children and your consumers.
- Personal, in-class, side conversations will not be tolerated. This is disruptive to the class and the instructor.
- Students need to be respectful of instructors and of each other.
- Students are there to learn. If you disrupt the learning of others you may be asked to step out of the classroom. Participation and practice are required in the Personal Care, Safe Lifting and Transferring, CPR, and First Aid classes. Failure to do so may result in no credit received for attending the class.
- You are not allowed to make recordings of any kind during these classes without express permission from the instructor.

Remember that we have a waiting list of workers who want get into the classes you are registered for. Call us at least 48 hours prior to any class you are not going to be able to attend. If we have too many people not showing up for classes we may no longer offer those classes. The Public Authority pays for the classes and we need to have people filling those seats. No shows may lead to no classes in the future.

Registration Instructions

Please note:

- This training is exclusively offered to IHSS Care Providers—you must be currently working as a care provider or be active on the Public Authority Registry to enroll in classes. All classes are voluntary and free of charge.
- Due to a large number of people wanting to register for classes no one will be permitted to register for more than 9 classes per semester. No classes can be taken more than once in a 3 year period except CPR and First Aid, which require recertification every 2 years.
- If you cannot attend your reserved classes you must call to cancel at least 2 business days before the class or you may be counted as a “No Show” and may not be permitted to attend future classes.

Call (408) 350-3220 after August 14, 2017 to register for classes.

****Pre-registration & confirmation is required****

To Register for Classes you must leave a voicemail with the following information:

Please speak slowly and clearly.

- Your name
- The last 4 digits of your Social Security Number
- Your contact phone number
- The date, location and name of each of the classes you want to register for

If you do not follow the instructions above your registration into the classes may be delayed. If the classes that you request are full at the time of your registration you will be placed on a waiting list.

You will receive a letter confirming your class schedule or informing you of your waitlist placement. You will not receive a confirmation phone call.

If you need help understanding this schedule, or any communications about IHSS classes, please call the Public Authority Training Department at (408) 350-3220.

For information on training opportunities for IHSS consumers, please contact the Public Authority Training Department at (408) 350-3220.
