Public Authority Services (PA) by Sourcewise invites In-Home Supportive Services (IHSS) Independent Providers working in Santa Clara County to expand their knowledge and skills through free, optional classes!

Providers can earn \$35 for each PA Training Class completed until the annual Incentive Payment budget runs out!

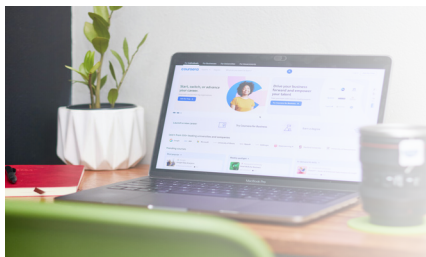

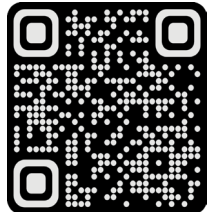

Providers can also earn certificates for completing two class series.

To be eligible, providers must be working in Santa Clara County, and connected to a consumer's case with a recent payment, or be active on the Public Authority Services Registry.

Providers registered for PA classes must follow all student guidelines, which are available on the PA website and will be mailed with class schedule confirmation letters.

Failure to follow guidelines or to notify the PA training department if you cannot attend a class you registered for three times will result in being restricted from registering for additional classes for at least one year. **Call or email (patraining@pascc.org) the Training Department before the class starts or at least 48 hours in advanced.**

For more information visit <https://pascc.org/services/provider-training/> or scan the QR

What to do when classes are full, and you don't want to be on a waitlist? You can sign up for the free self-paced online classes offered by the PA.

This will not be part of the incentive payment but will count toward the certificate series. For more information, visit our website mentioned above.

Public Authority Services Class Registration Instructions

Registration for Fall 2026 classes opens August 19, 2026 at 6 a.m.

We will not accept registration requests before the date and time above.

Register online at

<https://reg131.imperisoft.com/pascc/Search/Registration.aspx>

If this is your first time registering for PA classes online, view the tutorial video on the website above to learn how to log in to the account that has already been created for you.

No internet? No worries!

Call the PA Training Department to register for classes by leaving a voicemail with the following information:

- First & last name
- Nine-digit provider ID number or last four digits of Social Security Number
- Call back phone number (make sure your voicemail can accept messages)
- Name, date, & location (Sunnyvale, Milpitas, Morgan Hill, San Jose, Online) of EACH class you want to register for

PA Training: (408) 350-3220

For online classes, the Zoom link needed to join class is emailed three days before each class.

At the end of each month, we will mail letters to confirm your class schedule or let you know if you are on a waitlist. If you are on a waitlist, we will email you as soon as a spot opens up.

To see your class schedule, waitlist position, or past training classes, log in to the class registration portal. You can find the portal on the training page at pascc.org/services/provider-training, or scan the QR code to the right for the class registration portal.

We will cancel any class that has fewer than ten providers signed up.
